OPEN YOUR GAIA CHANNEL

**with the Holy Mother & Earth Mother Guardians,
Ama'Ya Ma Kumara & Lelama Sjamar**

Our contact with Gaia can be so much more than what we see. She is our mother and she can change the energy of our body and teach us who we are, why we are here and open our gifts. Our channel to her is through our heart, lower chakras and 5 Power Gateways beneath our feet.

In PERU we will sit in circle in the sacred sites of Cusco, Machu Picchu, Lake Titicaca, Island of the Sun and Island of the Moon, open our GAIA channel and establish the deepest level of connection we can make as human beings to THE GREAT MOTHER.

With this, we have the power to LOVE OUR BODIES and ENJOY our EARTHLY PHYSICAL EXPERIENCE, enhanced every day by our deeper contact with the GREAT MOTHER EARTH.

This is the medicine path all Women and Men who wish to

open their Shaman Nature, begin with.

Beloved One,

We invite you to join us on this sacred pilgrimage to Peru & Bolivia to

OPEN YOUR GAIA CHANNEL

We begin our pilgrimage in the ancient city of CUSCO and travel through this doorway into the Sacred Valley and the sacred site of MACHU PICCHU to Open Our Gaia Channel, our spiritual bridge of our Heart Connection to the Heart of the Mother Earth. Our journey then takes us to LAKE TITICACA, the Islands of the Sun and the Moon where we open to reclaim an earth related, Soul Gift, held for us within the Earth and created through our Soul's previous powerful incarnations.

In Part 1 of the Open Your Gaia Channel program, from 8 – 18 September 2018, in Cusco and Machu Picchu, you may Open your Gaia Channel, your earthly connection into our Great Mother Gaia via the opening of 12 sacred chakras and power vortexes between your Heart and the Heart of Gaia. We will walk the land, open in ceremony, receive teachings, inner journeys, as well as divine assistance from the Great Great Central Moon Makira and the Great Great Central Sun Sanura and the Guardians in the Portals.

In Part 2 of the Open Your Gaia Channel program, from 19 – 23 May 2018, on the Islands of the Sun and Moon in Lake Titicaca, you may reclaim a Soul Gift through your sacred ancestral connection with Mother Gaia and the balance of your feminine and masculine energies. These gifts may return to you with ease, once your Gaia Channel is opened and you intend to use these gifts for the greater good of others and the Mother Earth.

Opening Your Gaia Channel and creating a direct connection to the Heart of the Mother Earth offers you:

- The grounding of your Soul's Light for your higher life experience.
- A connection to your Soul's dreaming, your purpose and your spiritual power to create this in life.
- Powerful energy that nourishes and spiritually feeds your physical body and earthly life, more than physical nourishment ever can.
- A sense of belonging and being present in your body and life on earth.
- The ability to speak your Soul's truth from a deep place of knowing who you are.
- The experience of the sacred beauty and magnificence of life on Earth, and the ignition of a positive outlook on life.
- A deep knowing of your divinity, your place in the Divine Plan of Gaia, the ability to reclaim and use your Soul's Gifts for the benefit of others.

This deep Earth connection allows us to touch on the magic, the medicine that our Soul holds to co-create this life. It ignites a joy and wellbeing inside, a

fulfilment that heals, balances, enlightens and empowers our experience and our ability to live generously.

OUR PATHWAY FOR OPENING OUR HUMAN ENERGY SYSTEM TO KNOW OUR SELF AND RECEIVE BACK OUR SOUL'S GIFT

The Sacred City Of Cusco

Within the land in Cusco lays a spiritual doorway, through which we enter this sacred pilgrimage to open and initiate our Channel to Gaia. In this place we dedicate and commit our Heart, Mind and Will to the Heart of Gaia and purify our being, so we may surrender to the journey of opening the first 3 levels of our Gaia Channel.

Earth Mother Gaia is calling us... The Elders of the Sacred Hoop, Ancestors who have walked this path before us and carry the gift of opening the Gaia Channel, welcome us into their circle of light. In oneness with Gaia they walk with us, guide and support us in this sacred journey of the inner marriage of our being with Mother Gaia. They open the door for us...

The journey begins...

The Portal Of Machu Picchu

Deep in the Earth beneath the mountain of Machu Picchu the Inner Earth Guardians welcome us. In ceremony they open this Portal for us and assist us to open, clear, illuminate and empower the next 9 levels in our Gaia Channel between our Sacral Chakra and the Heart of the Earth. It is here that we travel deep into the energy body of Gaia, to purify and balance our energy and consciousness, in preparation for the renewal and rebirth of our oneness with the Mother Earth.

Within this ancestral creation portal of the Divine Masculine, we harmonize and realign our feminine and masculine energies for the soul's purpose of entering into unity consciousness with Mother Gaia. Through our symbiotic relationship with Gaia, she returns to us our power and our dreaming, so we may know ourselves and our purpose, be energized to give all we came to give in this life, and co-create with Gaia our greater path that benefits all beings.

It is here that we will be initiated to open to the power of our love in action for the creation of the most fulfilling reality for our soul.

The Portal Of Lake Titicaca - Island Of The Sun and Island Of The Moon

On the Islands of the Sun and the Moon in Lake Titicaca, a receptivity portal of the Divine Feminine, we will receive activations that harmonise and harness our energy into a unified whole. Pure frequencies and dispensations of the Suns and Moons initiate our Gaia Channel to the next level.

Our deep open connection to Gaia and the Inner Earth Guardians enables us to receive our unique soul gift, created in previous incarnations of divine service on the earth. The Emissaries of the Lake Titicaca Portal have held

these gifts for us in sacred packages of crystalline light, until our return to the heart of Gaia and our willingness to serve others. Reclaiming these gifts enhances our true relationship with our Great Mother and our love for our life on Earth.

*As we learn to honour and use our soul gifts as medicine
for the greater good of the Earth and all of creation,
we live our life in joy and fulfilment.*

***May your heart guide you on this deep journey with GAIA.
May the support of the Earth Mother Guardians open your GAIA
Channel and your ancient, wise nature as a being.***

***If your heart calls to join us, please email us to register your interest
in this Sacred Pilgrimage into the Heart of Gaia!***

You are very welcome to share this invitation with your friends who also may be called to open their profound connection with the Earth Mother and their Soul's joy and physical wellbeing.

With all of our love, Lelama and Ama'Ya
